

# Glass Mosaic for Pools & Spas

General Catalog

**Aqua** Art

# Aqua Art

Aqua Art™ is the newest of the next-generation high-performance glass pool tile on the market today. Offering state-of-the-art designs for use in pools, fountains and other water related projects.

With such a large variety of styles and designs, choosing a tile to use from one of our attractive and diverse collections is an experience to be had. It is quick and easy to procure, and ready for expedited shipment from our fully stocked warehouse in Miami, Florida.

Aqua Art™ is ideal for any types of water related projects and applications, from residential jobs to large-scale commercial installations, whether they be for either indoor or outdoor use. And to further provide our clients with premium customer service and satisfaction, our in-house design team is ready to team up with clients and create new glass tile products according to specification for larger proprietary projects.

Ready to take the plunge? Dive into Aqua Art™ today! Let us pool our resources for you and in doing so, deliver a beautiful ROI regarding your next glass tile project.
